

Banks County Schools Free Meals

Effective Tuesday September 8, 2020, Banks County Schools will begin serving FREE breakfast and lunch meals to all students. USDA has approved funding for schools to provide free breakfast and free lunch until December 31, 2020 or until funds are exhausted. The program is retroactive and all school accounts will be credited for meals purchased beginning September 1.

No cost meals will be available for virtual students and children ages 0-18 curbside each Wednesday between 10-10:30 AM. Please order meals weekly by Monday at noon to give staff time to package and prepare five nutritious breakfast and lunch.

Parents and guardians are encouraged to complete a free/reduced form each school year. Regular meal pricing will start back January 1. Free/reduced information is used for other programs such as TITLE 1 and various grant funding that directly impact our students.
